

### History

The writings in this section relate to the 2x2 church history and its founder, William Irvine.

The 2x2 church was started around the turn of the 20<sup>th</sup> century in Ireland by a Scotsman named William Irvine.

In 1904, many workers sailed to other parts of the English speaking world, and the church grew.

As one worker stated

:  
“

#### **Ireland**

**is the only country where workers weren't imported but rather exported!”**

Many of the 21x2 church followers are not aware of how and when the church really started. Many were taught and believe that it began when Jesus sent out His 12 disciples on “the shores of Galilee.”

Many know nothing about William Irvine, the twentieth century founder.

Many followers have left meetings since information regarding the relatively short history of the church and facts about its founder William Irvine have been on the internet.
